

Commercial Van Security

MVP™ 1000

Quick to install,
easy to use

The perfect fit for commercial
vehicle locking, offering affordability,
ease-of-fit and robust security.

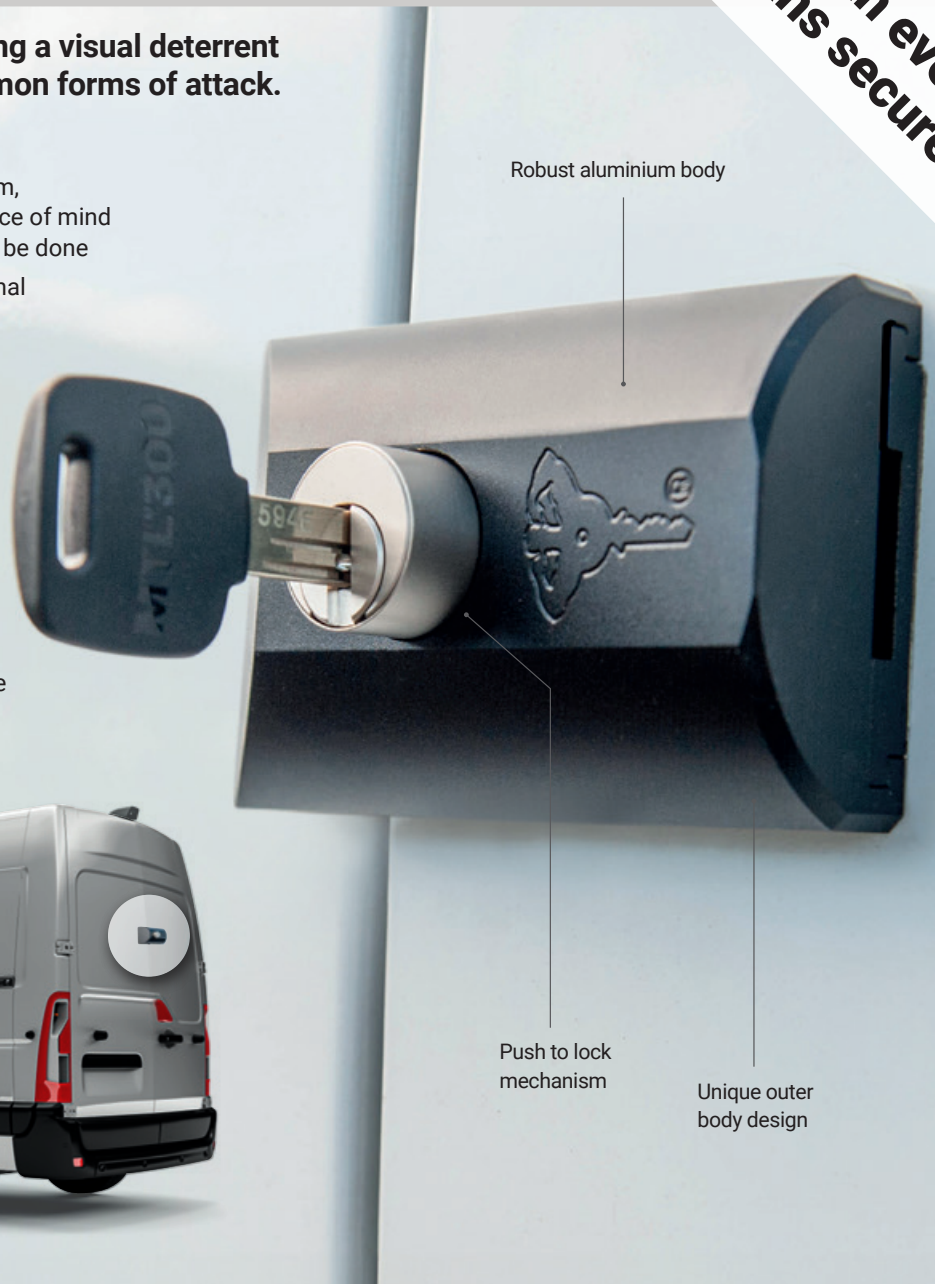

MVP™ 1000

Quick to install,
easy to use
simpler than ever
to keep vans secure

Robust locking system, providing a visual deterrent and protection from most common forms of attack.

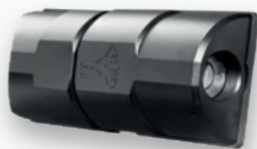

- Quick to install, easy to use
- MTL300, patented cylinder locking system, with no card no key policy giving you peace of mind that no unauthorised key duplication can be done
- Flexible keying options, such as an optional keyed-alike kit for rear and side doors or any other combination
- Reversible nickel silver key with plastic key head and coloured insert for identification. Also available in all nickel silver keys
- A push-to-lock mechanism means you don't need a key to lock up
- High precision aluminium lock body
- The Mul-T-Lock Approved Locksmiths network is nation-wide. Contact us today for more details or visit our website for your nearest approved locksmith

Also available from the Mul-T-Lock range of commercial vehicle locks:
